Optional CO2 Compensation

Your flight causes CO2 emissions. We strive to provide you with Indicative CO2 emission data for each flight option offered by us. For easy reference we have developed the Fliteline CO2 label for each aircraft in relation to its specific aircraft class. By doing so we give you a tool to help you to select the best possible option for your flight requirement while at the same time considering your CO2 footprint.

In addition we provide you with a voluntary option to compensate the CO2 emissions of your flight. We have listed the optional compensation amount below. Please indicate at the time of booking whether or not you would like to compensate your flight.

CO2 emissions: 10,0 ton
 Compensation: EUR 30 (optional)
